

2024 GLOBAL INTERNAL AUDIT STANDARDS WORKSHOP

PRACTICAL APPROACH ON IMPLEMENTING DOMAIN V OF THE STANDARDS - PERFORMING INTERNAL AUDIT SERVICES

 **MOROGORO, TANZANIA**
11th – 15th November 2024
2nd -6th December 2024

Workshop Overview

Internal Auditors are required to conduct their audits in compliance with Global Internal Audit Standards issued by Institute of Internal Auditors (IIA). On 9th January 2024 the IIA released the **2024 Global Internal Audit Standards** which will become effective on **9th January 2025**. Prior to these standards internal auditors were being guided by the 2017 standards.

Following the release of the 2024 Standards Internal Audit Functions are required to:

- Train **Internal audit staff and Members of Board Audit Committee** on these new standards
- Update **Internal Audit Manuals** to be aligned to the new Global Internal Audit Standards.

This Workshop which will be interactive and facilitated by experienced trainers, shall equip Internal Auditors with:

- Knowledge and understanding of the 2024 standards
- Practical skills on implementation of the 2024 standards
- How to go about updating the Internal audit manuals

Key Topics

- Introduction to the 2024 IPPF
- Introduction to 2024 global standards
- Introduction to standards in domain (i) to (iv)
- Domain V: Performing Internal Audit Services
- Applying the 2024 Global Internal Audit Standards in the Public Sector

About the lead Trainer

Zawadia Nanyaro is a highly qualified Certified Public Accountant (CPA-PP) with extensive experience in internal and external auditing, having held key Audit roles at PwC, Exim Bank, and Tanzania Breweries Ltd. She holds a BCom in Accounting, an MBA in Finance, CISA, Certified Director, and IIA Certified Assessor, making her exceptionally skilled in internal auditing.

As the Managing Director of LILAC, she leads a firm specializing in auditing, accounting, risk management, and training, and has been a prominent trainer for NBAA, IIA, and ISACA for over 15 years. Zawadia's deep expertise and practical experience make her an ideal trainer for the workshop.

Who Should Attend?

- Internal Auditors, Internal Audit Managers and Chief Internal Auditors
- Information System (IS) Auditors
- Board Audit Committee Members
- Professionals in other fields who aspire to join the Internal Audit or IS Audit Profession
