

FINANCIAL STATEMENTS REVIEW AND ANALYSIS

A Hands-on Comprehensive Workshop on Reviewing and Analyzing Financial Statements

MOROGORO, TANZANIA

7th – 11th October 2024

2nd -6th December 2024

Workshop Overview

This workshop is designed to equip auditors, finance professionals, analysts, and business leaders with the essential skills needed to master financial statement review and analysis. Whether you are an aspiring accountant, financial analyst, auditor, or even a business owner, understanding financial statements is crucial to making informed decisions that impact a company's financial health and future growth.

The workshop offers a practical, hands-on approach to learning the fundamental concepts of accounting and financial statement analysis. Starting from the basics, the course gradually builds your knowledge, enabling you to navigate financial reports, perform detailed analysis, and make strategic business decisions.

Key Topics

- Introduction to financial statements
- Key Aspects in analyzing and reviewing financial statements
- Analyzing the income statements
- Analyzing the statement of financial position
- Analyzing the cashflow statements
- Financial ratios and the message behind the ratios.
